

Permission Form for Student Release From Band Camp:

Top section is required at check in for all ERHS Students attending band camp.

Student Name: _____ Grade: _____

Outing/Activity: **Eaton Rapids High School Band Camp**

Responsible person student is to be released to:

Name: _____ Phone Number: _____

Drivers License #: _____ Relationship: _____

STOP!!! If your student is riding the bus back to the school, this form is complete. Otherwise the portion below must be filled out if you are picking up your student from the camp for any reason.

We are encouraging parents to come see the performance on Saturday and then pick up their student directly from camp. You must let us know if you are taking your student after the performance by having the bottom portion of this form filled out when you turn it in at check-in. We need this information to determine the number of busses needed for the return trip. You must also fill out this portion if you are picking up your student early for any other reason. Thank you for your cooperation.

Early Release must be Pre-arranged

For the safety of all Eaton Rapids High School Band Students, this portion of the form must be filled out by the parent/guardian of any student who will be leaving our band activity with anyone other than designated transportation.

If there is any question as to the reliability of this information, (If someone other than a parent is picking up your student) a phone call will be made to the parent/guardian for confirmation. If the parent cannot be reached, and there is still doubt, the student will not be released until contact with parent/guardian is made.

You **must** check out with the Director or a chaperone before taking your student.
