Eaton Rapids Bands Photo Gallery Picture Ordering Information

The Photo Gallery on the band website is constantly growing as more pictures are added following each band event. Our band photographer and parent volunteer, Dan Mecham, takes pictures at almost every event and adds more pictures as the year goes on.

Photos of your band students make excellent memory makers! Dan sells 5x7 prints (\$3/each) and 4x6 prints (\$1/each), and ***half of every sale goes back to support our Greyhound Band Program!***

Here's How To Order:

Contact Dan Mecham at burrheadphoto@yahoo.com or by phone at 517-582-0487. For each photo Dan will need: gallery name (ex. Frontier Parade), file name (example dsc_351) and what size you would like (5 x 7, 4 x 6).

Dan will confirm with you the cost, touch up the photos a little, and have the photos to you in about a week. You can buy them directly through his website where you can crop them (although very tight cropping will result in a grainy photo), but they are usually not enhanced and there are shipping charges. It's better to buy them directly from Dan.
